**REQUEST TO ASSOCIATE U.S.PATENT APPLICATION SERIAL NUMBER
WITH FOREIGN FILING SERIAL NUMBER**

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

Applicants hereby request a revised Foreign Filing License to evidence correspondence between the U.S. Patent Application Serial Number 09/892,327, and the Foreign Filing License Serial Number P-104,342, for the above-referenced patent application. At the time of filing, Applicants simultaneously filed a corresponding patent application with a foreign patent office, claiming priority to the P-104,342 serial number in lieu of the unknown U.S. Patent Application Serial Number. The foreign patent office is now requesting a USPTO document evidencing correspondence between the Foreign Filing License Serial Number and the U.S. Patent Application Serial Number. In order to expedite processing, we are enclosing herewith a copy of the original Foreign Filing License.
